The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL OF SUCCESSOR AGREEMENTS FOR TEMPORARY
MEDICAL PERSONNEL SERVICES
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to execute successor Temporary Medical Personnel Services Agreements with various contractors for the provision of temporary or as-needed medical personnel services, for use by the Department of Health Services, Department of Public Health, and Los Angeles Sheriff's Department, and increase the current hourly rate for physician affiliates specializing in ophthalmology under the Specialty Medical Services (SMS) and the Physician Registry Services (PRS) form Agreements.

IT IS RECOMMENDED THAT THE BOARD:

1. Authorize the Director of Health Services (Director), or his designee, to execute successor form Temporary Medical Personnel Services (TMPS) Agreements with firms listed in Attachment A, who are willing to agree to the County's terms and conditions, for the period July 1, 2015 through June 30, 2017, with an option to extend the term for two additional one-year periods for a potential total term of four years, at the estimated annual cost outlined in Attachment B, for use by the Department of Health Services, Department of Public Health, Los Angeles Sheriff's Department, and other County Departments.
2. Delegate authority to the Director, or his designee, to execute form TMPS Agreements with additional qualified firms during the term of the Agreement, based on need, effective upon execution through June 30, 2017, with an option to extend the term for two additional one-year periods ~~and one six-month extension period~~ for a potential term of four years.

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

ACTING EXECUTIVE OFFICER

3. Delegate authority to the Director, or his designee, to execute amendments to the TMPS Agreements to exercise the optional extensions to the term of the Agreements.
4. Delegate authority to the Director, or his designee, to execute amendments to the form TMPS Agreement to: a) revise or incorporate provisions consistent with applicable Board policy, County Ordinances, etc.; b) add/delete service locations; c) make non-substantive changes to the respective statements of work for any TMPS Agreement; and d) add service categories at rates not to exceed the rates currently approved by the Board, with all amendments subject to review and approval by County Counsel.
5. Delegate authority to the Director, or his designee, to suspend or terminate any TMPS Agreement on behalf of County in accordance with applicable termination provisions in the respective Agreements.
6. Delegate authority to the Director or his designee to increase the current hourly rate from \$225.00 to \$260.00 for physician affiliates specializing in ophthalmology under the Specialty Medical Services (SMS) and the Physician Registry Services (PRS) form Agreements.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The Department of Health Services (DHS) uses TMPS Agreements to ensure appropriate temporary or as-needed medical staffing coverage when County employees are not able to provide critical patient care services. The Department of Public Health (DPH) and the Los Angeles Sheriff's Department (LASD) also utilize the TMPS Agreements for temporary coverage.

Approval of the first recommendation will allow DHS to execute successor TMPS Agreements (Exhibit I), to replace the current agreements that are scheduled to expire June 30, 2015. When the current agreements were extended, DHS advised the Board that during the extension period DHS would develop a standard form agreement to update the current agreements. The new form TMPS Agreement is consistent with the templates used for other types of temporary medical and registry personnel agreements.

The new Agreement includes language to clarify billing provisions; add two new services categories for Anesthesia Technicians and Ophthalmic Technicians; allow for evening and night shift differential rates for Pharmacist managers and Pharmacists; and increase the differential rates for assignment to facilities in the High Desert area.

Approval of the second recommendation will allow DHS to offer and sign the form TMPS Agreement with additional qualified firms, during the term of the Agreements, in

the event County needs additional firms to provide appropriate patient care services for the three departments and other additional County departments.

Approval of the third and fourth recommendations will allow DHS to amend the Agreements to extend the Agreements for the optional periods and update contract language, service locations, service categories and rates, as necessary, to remain competitive with industry rates, to continue to meet temporary medical staffing needs at various County Facilities, and maintain compliance with government regulations and fulfill County needs.

Approval of the fifth recommendation will allow DHS to suspend or terminate any TMPS Agreement on behalf of County in accordance with applicable termination provisions in the respective Agreements.

Approval of the sixth recommendation will allow an increase to the current maximum contracting rate from \$225.00 an hour to \$260.00 an hour for ophthalmology physicians. DHS is experiencing difficulty in hiring ophthalmologists at the current maximum contracting rate of \$225.00 hourly rates for Comprehensive Ophthalmology candidates in Los Angeles (outside of DHS) in private practice and academic institutions range between \$240.00 and \$260.00. The requested rate increase would afford DHS the ability to offer competitive rates and attract qualified ophthalmology physicians to meet staffing shortage.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The recommended actions support Goal 1, Operational Effectiveness/Fiscal Sustainability, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

The total estimated annual cost for TMPS Agreements for FY 2015-16 is \$34,593,270. This amount includes an estimated \$31,398,370 for DHS, \$130,000 for DPH and \$3,064,900 for LASD, and is based on current best estimates, subject to variations due to changes in workload, staffing and other unforeseen operational changes.

Funding is included in DHS' Fiscal Year (FY) 2015-16 Recommended Budget and will be requested in future fiscal years as necessary.

DPH and LASD may use these services based upon the availability of funds in their respective budgets, and will be responsible for payments to the contractors.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The County has contracted with temporary medical personnel services registries for many years to address critical allied health staffing shortages, peak workloads, unexpected emergencies, and vacation coverage at DHS, DPH and LASD facilities.

The form TMPS Agreement includes all Board of Supervisors' required provisions, including the most recent required provisions. The form Agreement is non-negotiable. All Contractors agree to the same standard terms and conditions.

The Agreements may be terminated for convenience by the County upon 30-days prior written notice.

County Counsel has approved Exhibit I as to form.

TMPS, SMS and PRS are Non-Proposition A Agreements for the reason that the services are intermittent and as-needed and, therefore, not subject to the Living Wage Program (Los Angeles County Code Chapter 2.201). It has been determined that the services under these agreements do not impact Board Policy No. 5.030, "Low Cost Labor Resource Program," because of the specialized training and education needed to perform the work.

CONTRACTING PROCESS

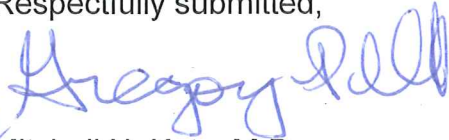

The recommended form agreement has been standardized for DHS. Prospective contractors have no ability to negotiate the County's terms and conditions. In order to ensure that DHS facilities continue to have sufficient TMPS contractors, the current contractors have been offered the opportunity for a successor agreement. In the event additional firms are necessary to meet workload needs during the term of the recommended agreements, qualified firms can apply for a form Agreement. The respective administrators at DHS facilities will be responsible for initially screening interested firms to ensure that they have qualified staff available to provide services to the County. Once identified, potential contractors will be required to complete a certification of qualifications questionnaire, which has been reviewed and approved by County Counsel, to determine whether the firm qualifies to receive a TMPS Agreement. County staff reviews each potential contractor's articles of incorporation and by-laws, licensing status, insurability, and conducts reference checks.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommendations will ensure that as-needed temporary medical personnel services for County patients will continue uninterrupted at DHS, DPH, and LASD facilities.

Any legal defense pursuant to Contractor's indemnification obligations under this Sub-paragraph 8.7 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

During the time that Contractor's agents, employees, or subcontractors are at a Facility, Contractor and such persons shall be subject to the rules and regulations of that Facility. Facility's Administrator shall furnish a copy of rules and regulations to Contractor pertaining to the Facility prior to the execution of this Agreement and, during the term of this Agreement, shall furnish Contractor with any changes thereto as from time to time may be adopted. It is the responsibility of Contractor to acquaint all persons who may provide services hereunder with such rules and regulations. Contractor agrees to immediately and permanently withdraw any of its employees or subcontractors from the provision of services hereunder upon receipt of written notice from the Director that: (1) such employee or subcontractor has violated such rules or regulations, or (2) such employee's or subcontractor's actions while on County

8.8 COMPLIANCE WITH CIVIL RIGHTS LAWS-ANTI-DISCRIMINATION AND AFFIRMATIVE ACTION LAWS

- 8.8.1 The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17); the Fair Employment & Housing Act, Government Code Section 12920-12922; and Affirmative Action in County Agreements, Chapter 4.32 of the Los Angeles County Code to the end that no person shall, on the grounds of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Agreement or under any project, program, or activity supported by this Agreement.
- 8.8.2 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

- 8.8.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Sub-paragraph 8.8 when so requested by the County.
- 8.8.7 If the County finds that any provisions of this Sub-paragraph 8.8 have been violated, such violation shall constitute a material breach of this Agreement upon which the County may terminate or suspend this Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Agreement.
- 8.8.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Agreement, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Agreement.

8.9.2 Written Employee Jury Service Policy.

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this Sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Agreement.
3. If the Contractor is not required to comply with the Jury Service Program when this Agreement commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
4. Contractor's violation of this Sub-paragraph of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar the Contractor

from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.10 CONFLICT OF INTEREST

8.10.1 No County employee whose position with the County enables such employee to influence the award or administration of this Agreement or any competing contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.10.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-paragraph shall be a material breach of this Agreement.

8.11 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement.

8.12 CONSIDERATION OF HIRING GAIN/GROW PARTICIPANTS

8.12.1 Should the Contractor require additional or replacement personnel after the effective date of this Agreement, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater

Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to: GAINGROW@dpss.lacounty.gov to obtain a list of qualified GAIN/GROW job candidates.

- 8.12.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.13 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.13.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

8.13.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.13.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the

County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.13.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

These terms shall also apply to subcontractors of County Contractors.

8.49 TERMINATION FOR CONVENIENCE

Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.
- 8.50.4 If, after the County has given notice of termination under the provisions of this Sub-paragraph 8.50, it is determined by the County that the Contractor was not in default under the provisions of this Sub-paragraph 8.50, or that the default was excusable under the provisions of Sub-paragraph 8.50.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 8.49 - Termination for Convenience.

In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.58 WAIVER

No waiver by the County of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.58 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

If such personnel works no more than twelve (12) hours during a day, the second meal period may be waived by mutual consent of both the County and the Contractor-referred personnel, but only if the first meal period was not waived.

Unpaid meal periods may be waived by mutual consent, provided that the appropriate County facility supervisor initials the Contractor-referred personnel's timesheet on the day the unpaid meal period was waived. If the supervisor's initials are not on the time sheet, County shall assume Contractor-referred personnel was off duty for the unpaid meal period as described above, and make the necessary adjustments to the timesheet and related Contractor reimbursement.

4. TRAINING:

Contractor shall not bill County for Contractor Personnel attendance at the initial Facility orientation training. Contractor Personnel attendance at additional Facility required training shall be billed in accordance with Paragraph 8, Hourly Rates.

5. MODIFICATION OF PERSONNEL STATUS:

Contractor shall be permitted to modify the personnel status of personnel assigned to a County Facility subsequent to their assignment. However, personnel initially provided by Contractor on a "Per Diem" basis shall be billed and reimbursed as such even if scheduling changes initiated by the Contractor after the initial provision of the personnel result in such personnel being assigned to a County Facility on a weekly basis.

6. HOLIDAYS:

County will reimburse Contractor for temporary medical personnel services provided under this Agreement on a holiday based on the rates and conditions set forth herein this Exhibit.

A. For purposes of this Agreement, only the following are compensated holidays:

- 1) New Year's Day
- 2) Memorial Day
- 3) Fourth of July
- 4) Labor Day
- 5) Thanksgiving Day
- 6) Christmas Day

B. Holidays (from shift start on or after 7:00 a.m. on the morning of the holiday and ending on or before 7:00 a.m. the following day) shall be billed at one and one-half (1.5) times the hourly rate.

C. In the event a Holiday falls within a workweek where the Contractor-assigned personnel works in excess of the forty (40) hour workweek, the Holiday rate shall not be construed as overtime and shall not effect any overtime pay that the employee is entitled to.

D. For purposes of this Agreement, any holiday not listed above, whether recognized or created by the State, Federal or County government(s) during the term of this Agreement shall neither be considered nor fall under the category of Holidays, and Contractor shall not bill for Holiday compensation.

7. GENERAL CONDITIONS:

A. County Facility shall request Contractors' personnel via Fax (or facsimile) or email, on a County provided form substantially similar to Attachment I, attached hereto. Contractor shall provide, via return County facsimile form

at least one (1) hour prior to start of assignment, a written verification to County Facility stating the following:

- 1) The classification of Contractor-referred personnel requested by the County Facility, including a specific person's name in those cases where County Facility specifically requests an identifiable person.
 - 2) The name of Contractor-referred personnel taking the County Facility's request.
 - 3) The day, time and shift (i.e., an eight (8), ten (10) or twelve (12) hour shift) to be worked by each Contractor-referred staff.
- B. Contractor shall provide, for each employee presenting to County Facility for the first time, proof of the following: certifications/licenses, health clearance, background checks or assessments, in accordance with the provisions of this Agreement or any additional requirements of County Facility.
- C. County Facility may change or cancel any request without incurring any financial liability upon providing Contractor with at least two (2) hours' notice prior to start of a shift. In the event County Facility changes or cancels an order with less than two (2) hours prior notice, County Facility shall pay Contractor an amount equivalent to four (4) hours of service.

If County facility requests personnel less than two (2) hours before the start of a shift, then County Facility shall be liable for the whole daily rate, provided the individual referred by Contractor arrives within two (2) hours of shift start. If the individual arrives later than two (2) hours of shift start, County Facility shall pay Contractor only for the actual hours (rounded up to the nearest hour) worked.

If County Facility requests personnel after a shift has commenced and the individual arrives within two (2) hours of the time County Facility placed

the request with Contractor, then County Facility shall be liable for the time worked plus an additional two (2) hours. If the individual arrives after the two (2) hour time limit referenced above, then County Facility shall be liable only for the actual hours worked.

In the event County cancels assignment after Contractor-referred personnel has begun services, County shall compensate Contractor for the entire duration of the assigned eight (8), ten (10) or twelve (12) hour shift.

County reserves the right to refuse any Contractor-referred personnel who is suspected of being under the influence, is perceived as emotionally incapable of following instructions or has a hostile disposition with County staff or patients. In such case, County shall notify Contractor of such refusal, and Contractor shall provide County with replacement personnel. Any work provided by Contractor-referred personnel with unacceptable behavior, shall not be compensated for.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.
- C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:

 - 2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than \$500,000; and,
 - 3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

“Dominant in its field of operation” means having more than ten employees and annual gross revenues in the preceding twelve months which, if add[ed to the annual amount of the contract awarded, exceed \$500,000.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Medical Health Screening

All potential Contractor personnel shall complete to the satisfaction of County a medical health screening to determine if the person meets the medical criteria and immunizations standards established for the prospective job classification/assignment before commencing services. The Contractor shall use the DHS Forms and medical health screening methodology provided in the Contractor package.

The medical health screening shall be performed by a physician or other licensed healthcare professional (PLHCP) authorized to perform such a physical screening, with such cost at the expense of the Contractor. If the Contractor chooses to have the DHS Employee Health Services (EHS) perform such assessments and screening and such services are available, the Contractor will be billed for the services regardless if the Contractor's staff passes or fails the screening. Contractor personnel shall present a letter on Contractor letterhead authorizing personnel to obtain the screening from DHS' EHS. DHS EHS will bill the Contractor for the cost and/or deduct the amount from funds owed.

Contractor personnel shall provide DHS EHS with documentation of health screenings and evidence of the absence of communicable diseases using the County's "Health Clearance Certification, E2" form. The Certification form must be completed by the prospective Contractor personnel and their health care provider, then by the Contractor attesting verification of completion of DHS forms.

The Contractor must provide DHS EHS with the source documents for review within four (4) hours of a request. Source documents pertaining to the pre-employment health evaluation, Tuberculosis, Respiratory Fit Testing, and other immunizations will be maintained by the Contractor. Failure to provide appropriate source documentation of health screenings/clearance will result in immediate release from assignment and there will be no further placement of Contractor's personnel until compliant.

DHS Facility Staff are required to ensure the Contractor personnel receives the appropriate documents; has submitted them to the facility EHS and has obtained health clearance prior to beginning the work assignment.

No person will be allowed to work at any time inside a DHS medical facility without appropriate documentation of health screening. In those instances where persons have no demonstrated immunity, and have refused vaccination, a waiver to that effect must be obtained and on file. Lack of immunity to certain diseases will restrict assignment locations within the hospital.

All Contractor personnel who have potential exposure to respiratory hazards and/ or aerosol transmissible disease shall provide appropriate documentation of a respiratory fit test on the same make, model, style, and size of respirator that will be used in facility. If indicated, this requirement is mandatory annually.

Per County policy, Contractor personnel are required to comply with annual health screening. Unless provided for per contract, Contractor personnel shall have their PLHCP conduct the assessment in accordance with County policy and procedures. This documentation is the "Health Clearance Certification, E2". The workforce member will be provided with the necessary documentation for completion and submission to their PLHCP. The PLHCP will complete the documents and submit them to the Contractor, as appropriate, with the completed certification form.

Contractor personnel may be given a 30-day reminder to comply with annual health screening requirements. Contractor personnel who do not comply with annual or other health screening requirements will be given a letter indicating they have five (5) days to comply or face release from assignment. A copy of the "letter" will be provided to the Contractor personnel's supervisor for action. Failure to provide documentation of health screening/clearance will result in immediate release from assignment and no further placement until compliant.

Emergency services will be provided post-exposure to Contractor personnel who have potential exposure to occupational hazards within the allowable time frames, but will be billed to the Contractor, as appropriate. Contractor personnel who are exposed to occupational hazard or incur injury while performing their duties for the County will be reported on the OSHA Log 300/301, as required by state and federal regulation and guidelines.

In the event of an occupational needle-stick injury or other exposure to Contractor personnel to blood and body fluids or airborne contaminants, medical care will be provided by the DHS EHS or Emergency Room, but will be billed to the Contractor, as appropriate. Contractor personnel may go to the facility DHS EHS or the designated department for initial care within the allowable treatment time frames. Cost of initial treatment will be billed to the Contractor, as appropriate. Subsequent follow-up treatment will be conducted through the appropriate agency's medical provider or the employee's personal physician. If Contractor chooses to have the DHS EHS provide subsequent follow-up care, the Contractor will be billed accordingly.
